BLACLKEG BACTERIN

It is advisable to vaccinate all animals in infected territory several weeks before the blackleg season arrives. One dose of Blackleg Bacterin is considered to be sufficient to protect cattle during the entire susceptible period, which ordinarily is from they time they begin to eat forage until they are two years old.

We carry a full line of veterinary vaccines, anti-toxins and general medicines.

KERRVILLE APPLIES FOR $50,000 RFC FUND

(Continued from First Page)

that had been contemplated in the State, was formulaion of a plan to clear the cedar brush off range lands in eight Hill Country counties. The proposal is now being considered by county officials. Lee pointed out that it would be necessary to organize the counties into an improvement district in order to make an application for RFC aid. He declared that officials in surrounding counties were heartily in favor of the movement.

In the event that the plan is found feasable, the cutting of all cedar in the counties of Travis, Hays, Blanco, Gillespie, Kerr, Bandera, Real and Edwards would utilize the services of thousands of men for several months. Completion of the project, it was estimated, would cost approximately three million dollars and would add about $2 per acre to the value of all land cleared of cedar.

Lee, during his visit here, compiled considerable data in connection with the proposed cedar-cutting project for presentation to the proper authorities.

52 KERR COUNTY NOTARIES QUALIFY

Legion—Francis Kibort, J. K. Ridgway.

KERRVILLE BRAVES TO PLAY HEIGHTS SUNDAY

(Continued From First Page)

single and registered on a passed ball before the third man could be retired.

Rod Sanders, the Fredericksburg chunker, started on the hill for Mountain Home. He was wild, issuing a total of six passes before he was relieved by Dickey late in the foray.

The Braves scored two runs in the second. Goss was hit by a pitched ball and Beaver was safe on a fielder's choice. Both runners advanced on a wild pitch and Hardy came through with a timely single. A double play cut the rally short.

A pair of walks, an error and hits by Hardy and Holloman gave the Kerrville team three more runs in the third.

The scoring continued in the fourth when Holloman opened with a walk and was pushed around on singles by McNair and Goss. A pass issued to Staudt and Warren's two-bagger accounted for another run in the fifth.

Three one-base blows in succession by McNair, Goss and Beaver manufactured a pair of Brave runs in the sixth. This performance was duplicated in the seventh on singles by Warren and Wootton and a double by Holloman.

The defensive feature of the contest was supplied by McNair, the Braves' new shortstop, who roamed far and wide on the infield.

The second game of a doubleheader, the Kerrville Black All-Stars bowed to the San Antonio Black Missions by a score of 10 to 1.

The score:

Mountain Home—	AB	R	H	O	A	E
Cannon, ss	3	0	1	3	2	0

Westminster Boys' Club Opens Monday

The Westminster Boys' Club, conducted at the Presbyterian Encampment to provide supervised play and outdoor life for junior and intermediate age boys, will open for the season Monday with J. W. "Swede" McMurry in charge.

For the past five years, McMurry, encampment recreational director, has been in charge of the boys' club. It is open to Kerrville youngsters for as short a period as a half-day, on up to several weeks. The encampment kindergarten and story hour will open about July 1, according to camp officials.

Band Will Present Concert Thursday

Thursday evening at 8 o'clock at the south terrace entrance to the court house the Kerrville Booster Band will play its fourth summer concert.

Director Alfred G. Rusche declared that the band was having full rehearsals with prospects of adding a few new members. The director himself is playing the big bass horn until a new bass player is secured. Rusche and his assistant director, S. C. Thorson, are looking for a new man to handle the big bass.

The band's third summer concert was played at the court house Thursday night of last week.

People are again requested by the management of the band to be careful in starting the motors of cars, so that the audience may enjoy the concert. Boys attending the concert will be directed in group games on the east side of the square with Earl Nance as supervisor of play.

Playlet Presented At Rotary Luncheon

A one-act play presented by the the Kerrville Curtain Club for the Rotary luncheon Wednesday provided an unusual and pleasing program. Characters in the play, "Suppressed Desires," were Mr. and Mrs. Graydon S. Mayfield and Miss Marguerite Crawford and the director, who also attended the luncheon, was Jack Hampson, vice president of the amateur theatrical group. Miss Elizabeth Eastland, Curtain Club president, was a guest, also. With the assistance of the Blue Bonnet Hotel, an improvised stage setting was arranged. R. A. Franklin, program chairman, directed the program.

President G. H. Lang called a meeting of the board of directors immediately following the luncheon. It was announced that next week's program would be presented by speakers from the Methodist Kerrville Assembly. Next Wednesday's program will be the last under the present administration as new officers take charge on July 1.

Visitors, in addition to Curtain Club members named, were Rev. S. L. Batchelor, San Angelo, and Dr. C. B. Williams, Mineral Wells.

Electric brakes have been invented for motor truck trailers, which are controlled by the motor driver.

Bandages made of silver leaf instead of cotton by a Vienna surgeon have been found to have marked antiseptic value.

A detachable motor weighing 22 pounds has been designed for use with gliding planes.

A noiseless window shade roller has been perfected that stops and locks automatically.
